DAY 1: HOLA, AMAZONAS!

Cusco - Puerto Maldonado - Refugio Amazonas

Get ready for Day 1 of the wild and wonderful extension adventure, kicking off as we touch down in Puerto Maldonado, the buzzing gateway to the Amazon jungle! Locas only has your morning flight from Cusco to **Puerto Maldonado** covered (yes, it's included in the extension cost!).

Our fantastic guides from Rainforest Expeditions will be waiting for you at the airport, ready to welcome you with open arms and transfer you to your Amazon home for the next 4 days.

Brace yourself for a lively welcome as we hop on a bus for a one-hour transfer to the next leg of our journey: a thrilling one-hour upstream canoe-ride along the tranquil **Tambopata River**. And, guess what?! Our first taste of mouthwatering Amazonian cuisine happens right there on the boat, alfresco style!

Keep those binoculars handy because we're in for a treat! As we cruise along, we'll be scanning the riverbanks, branches, and skies for our first glimpses of the vibrant blur of **macaws**, the statuesque presence of **herons**, sneaky **caimans**, and maybe even the charming **capibara**! Up in the treetops, be on the lookout for curious brown capuchin and dusky **titi monkeys**.

Nestled in the heart of the rainforest, **Posada Amazonas Lodge** boasts low-impact design and all the amenities you need for a pampered jungle stay (yes, massages are on the menu!). A breezy 30-minute walk from the lodge leads us to a 42-meter-high **Canopy Tower**, offering a mesmerizing view of the Tambopata National Reserve. Toucans, macaws, and raptors enjoy the same view, just from a little higher in the sky.

We will enjoy our very first **Amazonian sunset** in here, which will be accompanied by a little guided meditation focusing on arriving to the present moment and really becoming conscious of the special place where we are right now.

On the way back to the lodge, we will embark on a once-in-a-lifetime nocturnal exploration - a **guided night walk through the jungle**, revealing the mystical wonders that come alive under the moonlit canopy. Say hello to all types of insects and spiders!

We'll then head back to the lodge where we will indulge in a delightful dinner with our fellow Locas as we recap on our first full day in the Peruvian Amazonia.

We'll have time to chill and relax before munching on a scrumptious lunch that will refuel us for the adventures ahead. In the afternoon, we'll dive into a **Jungle Biking Tour** guided by our incredible local guides from the Inferno Community, where we will discover the hidden treasures and diverse wildlife of the Amazon in the most adventurous way!
